DETAILS OF REFUSAL OF NON-SIGNING INVENTOR
TO SIGN APPLICATION PAPERS

I, Joseph P. Hamilton, do hereby declare as follows:

1. I have personal knowledge of the facts stated herein, except where stated upon information and belief, and I could and would competently testify to the statements made herein if called upon to do so.

I am an associate with the law firm of Lyon & Lyon, LLP, located at 633 West Fifth Street, Suite 4700, Los Angeles, California 90071, patent counsel for Hi-Tech Environmental Products, LLC ("Hi-Tech"), a Nevada limited liability company having a principle place of business at 6 Hutton Centre Drive, Suite 200, Santa Ana, California 92707.
3. Yoram Aisenberg was an employee of Hi-Tech during the time that the invention of the above-identified application was made.
4. Yoram Aisenberg was no longer employed by Hi-Tech at the time the above-identified application was filed.
5. On May 21, 2002, the most recent bona fide attempt was made to present the above-identified application (specification, including the claims, drawings and declaration) to Yoram Aisenberg for his signature through a letter sent by me to Mr. Aisenberg's last known address via certified mail and Federal Express attaching the above-identified application. Attached as Exhibit A is a true and correct copy of said letter.
6. Attached as Exhibit B is true and correct copy of the Federal Express mailing receipt, a true and correct copy of the certified mailing receipt and a true and correct copy of the delivery receipt for the letter of Exhibit A.
7. On June 10, 2002, I received a letter from Daryl G. Parker of Mahoney, Coppenrath, & Jaffe, LLP, located at 2049 Century Park East, Suite 2480, Los Angeles, California 90067, notifying me that he was representing Mr. Aisenberg regarding this matter and requesting the basis of Hi-Tech's request to have Mr. Aisenberg sign the above-identified patent application. Attached as Exhibit C is a true and correct copy of said letter.

8. On June 11, 2002, I telephoned Mr. Parker at his office number, (310) 557-1919, regarding this matter. Mr. Parker informed me that Mr. Aisenberg would not sign the patent application because Mr. Aisenberg feared any such action might jeopardize any rights he may or may not have with respect to the application.

I declare under the penalty of perjury under the laws of the United States that the foregoing is true and correct.

Executed this 27 day of June, 2002, at Los Angeles, California.
